CONTRACT TERMS & SCHEME FOR REGISTRATION

INTRODUCTION

In today's fiercely competitive and Regulatory environment it has become imperative for companies over a wide range of manufacturing and service sectors to provide assurance of their Management System(s). International Management Systems standards/Specification stipulate the minimum requirements for a documented management system(s) to be established and a Certificate of Compliance to these standards has now become an international / National criteria of assessing a company's credibility and capability to consistently assure good standards to enhance the customer satisfaction & achieving continual improvement.

PURPOSE

The purpose of this description of the BSCIC Certifications Pvt. Ltd. (**Hereinafter referred to as BSCIC**) Management System(s) Certification Scheme is to provide relevant information regarding BSCIC Certifications Pvt. Ltd. services for conducting an impartial and competent assessment of a company's management system for issue and maintenance of certification to the applicable standards/Specification.

SCOPE

The certification scheme operated by BSCIC Certifications Pvt. Ltd. is a third party system certification scheme with an objective of giving recognition to companies who have effectively implemented and operated a verifiable documented system. It covers the following scope:

- Preliminary meeting to established scope of registration and the applicable standard for assessment (this might be a Sales visit or tele conversation)
- Conduct of independent assessments for certification/ registration
- Issue of certification
- Surveillance visits for verification of conformance of management systems to certification standard
- Supplementary/ Re-assessments (required where major non conformities have been identified or major changes in the organization or its system have been identified/ notified).

REGISTRATION PROCEDURE

- **Enquiry and Fee offer:** Upon receipt of an enquiry, the **Form B001** Company Profile Questionnaire is required to be completed by the applicant company. **This form on Page 2 includes declaration of number of sites and people work at these sites (if applicable).** Based upon the information provided, a detailed offer is submitted for client's consideration and acceptance. **The information mentioned in B001- Company Profile Questionnaire' with respect to the presence / absence of a consultant and contact details of the consultant if applicable should be true and if found untrue and jeopardizing the impartiality and affecting the impartiality and objectivity of management system certification, the certification issued shall stand suspended/ withdrawn.**
- **Application:** Upon confirmation of acceptance of BSCIC Certifications Pvt. Ltd. fee offer and the receipt of client's application together with the application fee, the process of certification commences with scheduling of audits on mutually agreeable dates.

AUDIT PROCESS

- **PROGRESS REVIEW ASSESSMENT (DOCUMENTATION AND READINESS REVIEW)**
Preferably an onsite review **at the main site** (unless otherwise limited by logistics) of the client's management systems documentation is conducted to verify that the requirements of the **applicable** management standard are satisfactory. **The readiness is also reviewed for the registration Assessment as to whether in a stipulated time frame whether the assessment may be conducted. Such readiness includes a brief understanding on Internal Audit & management Review processes and their status.** A report is issued listing any non-conformity against which corrective actions are required to be taken as per a corrective action plan to be submitted. The progress implementation of the management system is also assessed to agree on a tentative schedule for Registration Assessment. **BSCIC expects its clients to implement their Management System at least for 4 months prior to an onsite Registration Assessment which need to be confirmed at this stage.**

EMS, OHSAS, ISMS, MD-QMS Progress Review Assessments include a detailed EMS Questionnaire, OHS Questionnaire, **ISMS Questionnaire & MD-QMS Questionnaire** to be filled in during this assessment.

- **PRE-ASSESSMENT (TRIAL AUDIT)**
Is a macro level verification of the operating of management system to provide assurance of the compliance with the requirements and to identify any non-conformances which are reported for necessary corrective actions being taken before the **Stage 2** Registration Assessment. **This Pre-assessment is conducted in conjunction with PRA stage 1 as above in case of such Tenders where it is a specific requirement. Such Pre assessment is considered a part of STAGE 1 PRA process and reported accordingly using a common PRA+PA (Tender) Reporting Templates. The outcome recommendations from such a combination assessment affect the timescale planning for the Stage 2 Registration Assessment.**
- **REGISTRATION ASSESSMENT:**
Following the progress review assessment (**not later than 6 months**) and/ or pre-assessment, BSCIC Certifications Pvt. Ltd. will conduct a full scale Registration Assessment **either at all sites or sampled (as the cases may be)** to assess conformity with the requirements of the applicable standard. **This will include a thorough effectiveness assessment of Internal Audit, Management review, Corrective Action & Preventive Action Processes.** A report categorizing any non-conformities or weakness in the implementation of the documented systems is issued.
- **CORRECTIVE ACTIONS AND FOLLOW-UP**
The company is required to submit a corrective action plan and **where required objective evidences** addressing the non-conformities within a given time frame. For Minor non-conformities, the assessment report includes a request for Corrective Action Plan in order to eliminate the cause of the non-conformities. Corrective actions against all major non-conformities required to be verified during a Supplementary Assessment evidence of effective implementation, prior to confirmation of certification. Observations are also recorded relating to various elements of the management system but do nevertheless indicate a problem, which may need correction.

(BSCIC Certifications Pvt. Ltd. requires it's applicant organization to make all necessary arrangements for the conduct of the assessment, including provision for examining documentation and the access to all areas, records (including internal audit reports) and personnel for the purposes of assessment, surveillance, reassessment and resolution of complaints).

In case there are any Management Systems record that cannot be made available to the audit team by the client due to reasons of confidentiality, BSCIC Audit team verifies if the client's MS can be audited without these record, and inform the client of their ability OR inability to conduct the Progress Review/ Registration Assessment unless adequate arrangements for accessing the record are made.
